# FAQs

## **WHY SHOULD I CHOOSE THE BUNDLE INSTEAD OF INDIVIDUAL SERVICES?**

Buying individually can add up quickly. This provides better value, with structured support. You have a clear step-by-step timeline, created by a Senior Doctor. This also gives consistency – Dr Ahmed personally leads every webinar except the UCAT course, where she has carefully selected the highest scoring tutors from the country.

## **CAN I CUSTOMISE THE BUNDLE TO FIT MY NEEDS?**

While this bundle covers everything, you may feel you need additional help in certain areas. You can book 121 sessions with Dr Admissions Super Tutors at an additional cost.

## **IS THE BUNDLE SUITABLE FOR INTERNATIONAL STUDENTS?**

Yes, we work with both UK and international applicants.

## **IS THIS PACKAGE SUITABLE FOR DENTISTS**

Yes, the PS support and UCAT Course is suitable for dentists.

# FAQs

## **HOW DO I BOOK THE BUNDLE?**

Booking is simple. Look under the 'packages' tab:

<https://dradmissions.classcard.app/en/?view=Grid>

After payment is complete, contact the admin team, who will update you on the next steps.

## **WHAT IF I ONLY NEED PART OF THE SUPPORT?**

No problem – you can book individual services instead on Classcard. Webinars will be advertised closer to the time and on the free WhatsApp Group. However, the bundle provides the best value, and it can be overwhelming doing each one separately.

## **CAN I PAY IN INSTALMENTS?**

Yes, you can pay in 3 with PayPal. Contact the admin team on 07792 458847 or email [info@admissions.co.uk](mailto:info@admissions.co.uk)
